

SPEND THE NIGHT WITH A LEGEND

Each of the four wings of the Aria Hotel Budapest are dedicated to a specific genre of music. Within each wing, the individual rooms are dedicated to a musical legend, whether it is an artist, composer or an opera. While we welcome requests for a specific artist, we cannot guarantee this. However, we do understand that special occasions call for special measures and for some of our most avid music lovers it is particularly important to confirm a favorite artist.

We offer a "Spend the Night with a Legend" package for an additional EUR200*.
